

## 愛知県高潮浸水想定区域図

愛西市 108

A scale bar at the bottom of the image shows distances of 0, 50, and 100 meters. The bar is divided into three segments by vertical tick marks. The first segment from 0 to 50 is black. The second segment from 50 to 100 is white. The third segment from 100 to the end is black. The letter 'm' is positioned at the far right end of the bar.
