Emergency call for the police

- I had a traffic accident.
- I had my bag snatched. etc...

If you require immediate police assistance, dial “110”.

Please let us know the following.

1. What happened, and when and where it happened
2. What the offender looked like
3. Where the offender went
4. Your name and address

If necessary, we can arrange a three-way call with an interpreter. Please note that interpretation is not always available. Do not hang up even if you can't understand the officers. It can take some time to set up a three-way call.

Dial “#9110” or call the nearest police station for non-emergency matters.

- I want to consult with a police officer.
- I want to know how to renew my driver's license.
- Tell me the phone number of the nearest police station.

In the absence of an interpreter, both of the services are available in Japanese.

Please ask somebody who speaks Japanese for assistance.
