

AICHI Police Information

~Just say no to drugs!~

Abuse of drugs (stimulants, narcotics, cocaine, heroin, MDMA, designer drugs, thinners, etc.) is prohibited by law.

Those who violate laws like the Stimulants Control Law will be sentenced to up to 10 years of imprisonment.

How will drug abuse affect you?

Drug addiction

Your body continually craves the effects of stimulants to taste ecstasy and escape from the agony of withdrawal.

Tolerance

Your body becomes numb to the effects of the same amount of drug intake as before.

Hallucinations and delusions

You become obsessed with the idea you are being watched.

Flashbacks

Even if you have quit drugs for quite some time, you may be assaulted by flashbacks (hallucinations and delusions) once you are stressed out or drunk.

Abuse of drugs robs you of your brain, heart and life !
