

# Partial revision of Ordinance on the Regulation of Scrapping Yards Effective from January 1, 2023

## What has changed?

From January 1, 2023, renewal form of Vehicle Inspection Certificate with digital tag will be issued. Information such as the vehicle owner is not written on the new certificates.

For purchasing the vehicle with Vehicle Inspection Certificate with IC tag, install “Vehicle Inspection Certificate Application” on your PC (and a card-reader) or smartphone.

Check the information of the vehicle through your PC or smartphone.

### Caution

Faulty records will be a violation of this ordinance, that may lead to any penalties.

\*For more information on the digitized Vehicle Inspection Certificates and application, refer to the website of the Ministry of Land, Infrastructure, Transport and Tourism. (<https://www.denshishakensho-portal.milt.go.jp/>)
