

Where to consult about matters related to Covid-19

The Aichi Covid-19 Citizen Consultation Call Center has closed. If you wish to make a consultation, please contact the appropriate consultation center.

The Aichi Prefectural Government is available for various consultations about Covid-19. The Call Center has closed, but there are many other places where you can consult.

1. If you are worried about being sick

[General Consultation Counters](#)

For people who have a fever and cough:
