

In case your dog bites someone

If your dog bites someone,

Please do the following immediately,

- ★ Please secure your dog in a safe place.
- ★ Wash the wound with running water as soon as possible.
- ★ Take the injured person to a hospital to be treated.

★ **The ordinance requires any incident to be reported to Aichi Prefectural Animal Protection Center within 48 hours after the accident.**

Aichi Prefectural Animal Protection Center
